

# Flex Point Vacation Security

TO DO LIST: BEFORE DAY OF TRAVEL

Set up timers for indoor lights to create the appearance of occupancy.

Notify trusted neighbours or friends about your vacation plans and ask them to keep an eye on your home.

Arrange for mail and newspaper delivery holds, or ask someone to collect them regularly.

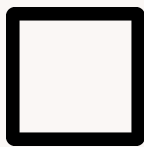

Trim shrubs and trees around your property to eliminate potential hiding spots for intruders.

Notify your alarm company so that any alarm triggers them to call police

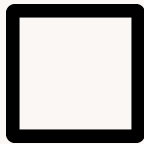

# Flex Point Vacation Security

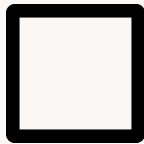

TO DO LIST: ON DAY OF TRAVEL

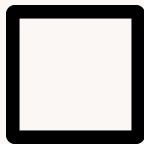

Lock all doors and windows securely.

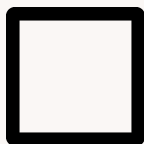

Unplug non-essential electrical appliances to prevent potential fire hazards.

Double-check that all faucets, gas, and electrical appliances are turned off before leaving.

Secure valuable items in a safe or hidden location.

Ensure your home security system is activated and functioning properly.
